To Whom It May Concern:

I offer this letter of recommendation for K-Electric, Inc. on behalf of the Town of North Providence, Rhode Island. I serve as the Project Manager for the Town and have dealt with numerous sub-contractors in all construction mediums. Barring none, K-Electric of Warwick, RI is the most user-friendly and professional contractor that I have worked with during my twelve (12) year tenure with the Town of North Providence. Their expertise and professionalism begins with their office administration and continues with their laborers, supervisors and owner. As a whole, they are pleasant and markedly client oriented. Their product and trade level of expertise is superior and again client driven. I highly recommend K-Electric.

I can be contacted at the North Providence Town Hall, 2000 Smith Street, North Providence, RI 02911. My direct telephone line is 401.231.0096 or cell 401.255.3069.

Sincerely,

Frank R. Bursie
